

A collage of various food items. On the left, a white plate holds several golden-brown croissants, a chocolate cookie with almond slices, and a cinnamon roll. To the right, a wooden board features strawberry tarts and more cinnamon rolls. At the bottom center, a white cup is filled with dark coffee. The background is dark, and the overall lighting is warm and inviting.

# THE K'S FOOD

# IDEA

A food ordering website layout used to order food online.

The basic idea is to improve the efficiency of ordering food, online and do one to one interaction using a user chatbot.

[Book Now](#)

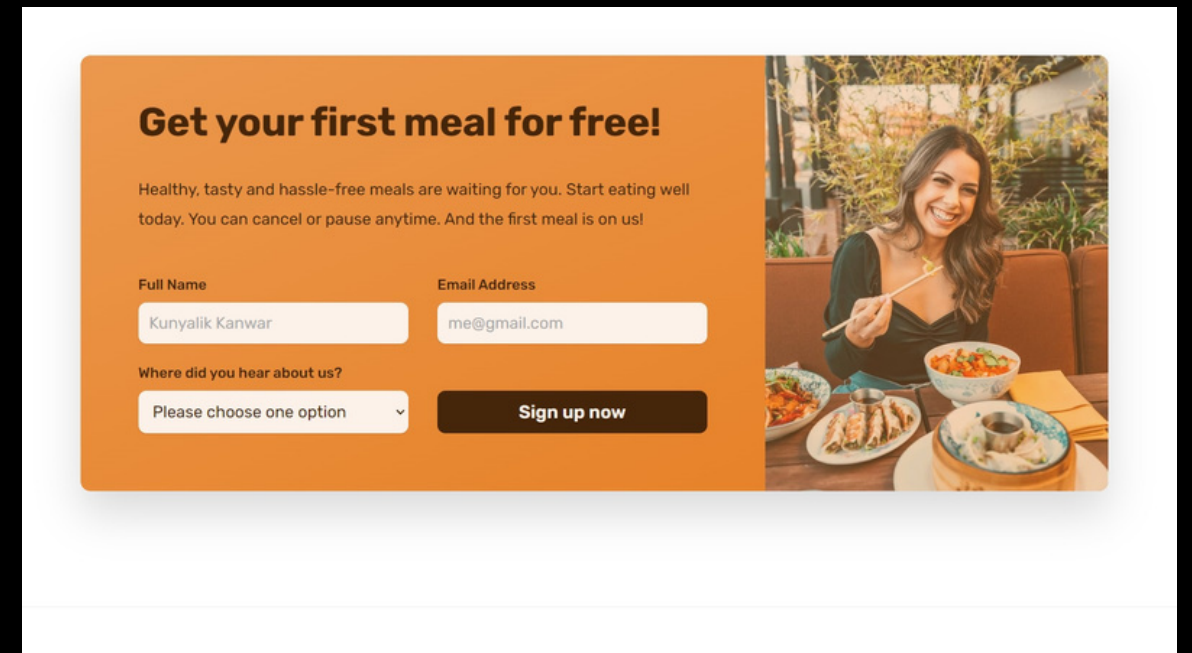

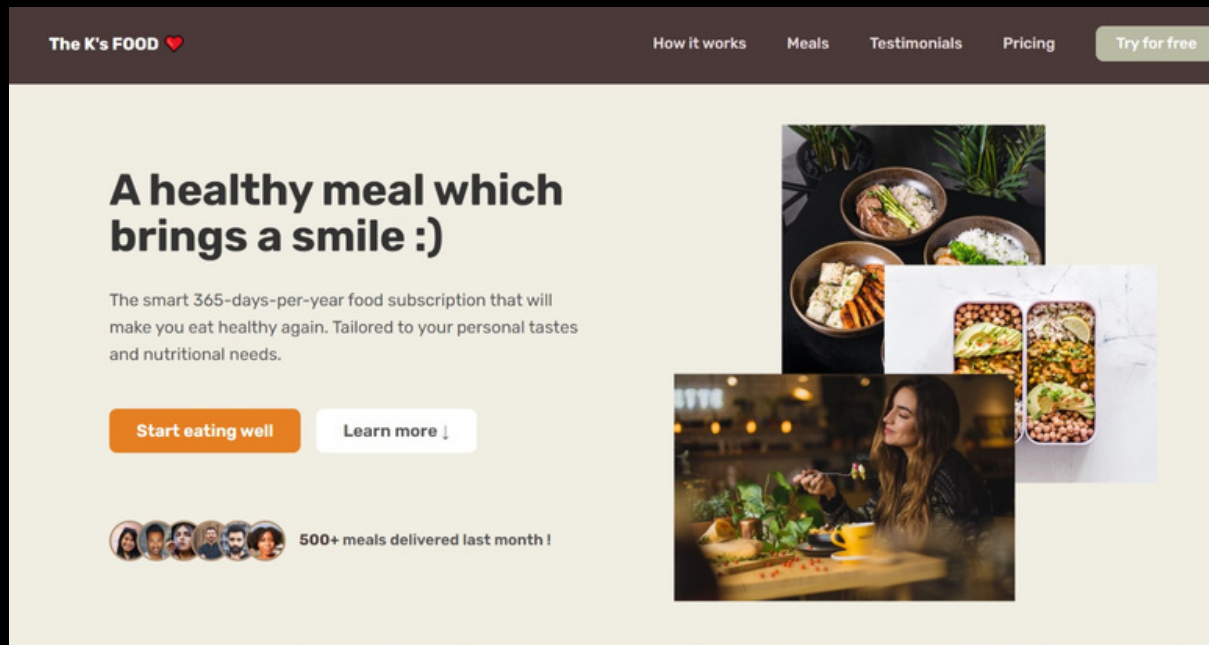

# COCEPT:

Technologies used :HTML,CSS and JavaScript

A user friendly interface is designed.

A user can choose the diet plan according to their needs.
